"Amanda has found the perfect way to lead little hearts into preparation and anticipation of the true celebration of Christmas. All the hands-on ideas in "Truth in the Tinsel" are fresh and winsome. I wish I'd had this book when our children were young."

-Robin Jones Gunn, bestselling author of the Christy Miller Series

"Truth in the Tinsel covered the core Christmas story that we never got to with our Jesse Tree advent. Through super fun crafts, my boys and I chatted about God's Word in meaningful ways. Thankful for how easy Amanda made the whole process, from the supply list to the quick (yet truth-filled) devotional, she did all the work. Particularly helpful during the busiest time of year."

-Heather MacFadyen, GodCenteredMom.com

"Telling a Bible story is one thing, but involving that story and applying it to your life is another skill all together. This is what "Truth In The Tinsel" is all about! I hope this adventure during the Advent season spreads out to what you do the rest of the year to impact your child's faith!"
